

Apprentice Welder

Type: Full-Time

Location: Acheson Alberta (west of Edmonton)

Rozen Steelworks is a leading industrial fabrication shop in Alberta, specializing in complex, large-scale structural projects for critical sectors like the oil sands, mining, and infrastructure. We pride ourselves on precision, quality, and an unwavering commitment to our clients and team, providing comprehensive solutions, including specialized fabrication for tailings management.

Rozen Steelworks is currently looking for dedicated Apprentice Welders/Fitters to join the Rozen Steelworks Structural Team in our Acheson shop.

Key Responsibilities:

- Assist Journeyman where needed
- Perform basic cutting and welding of mild steel
- Understand various weld form symbols on weld drawings and size of fillet welds required
- Read and interpret work orders and produce work that adheres to specifications
- Weld in all positions
- Apply required procedural markings to the product
- Conduct required pre-job/pre-task inspections
- Complete scheduled work in cooperation with the Foreman
- Maintain a tidy, clean and safe work area
- Follow safety protocols to ensure a safe work environment at all times
- Other duties as required

Requirements:

- Must be a registered Apprentice Welder or Fitter with a recognized provincial training authority
- Experience with pipe/structural fabrication
- Experience using various hand tools (grinders, oxy/ acetylene torches etc.)
- CWB- FCAW/ MCAW certifications is considered an asset
- Maintain safe work practices as outlined in company policies
- Commitment to safety and safe work procedures
- Self-motivated with an attention to detail
- Ability to work well in a team environment
- Complete required WHMIS training
- Ability to work with little supervision

To Apply: Interested candidates are invited to submit their resume and cover letter detailing their academic background and relevant experience to careers@rozensteelworks.com. Please include "Apprentice Welder" in the subject line.
